## Community Programs and Services

## Our Primary Programmes are:

- **Neighbourhood Care** is a program specifically tailored to provide social support to aged people and younger people with a disability and their carers. Clients must be assessed for H A C C eligibility
- **Relationship Education** programmes designed to encourage healthy relationships through Pre-marriage Courses, Anger Management, Divorce and Separation Recovery Workshops and Season's Children's Grief and Loss.
- **General Counselling** – eg. Marriage or Couples, Depression & Anxiety, Grief & Loss – Adults, Parenting problems. Short Term Brief Therapy available to assist people to deal with personal dilemmas brought about by life's experiences.
- **Personal Support Programme** provides individualised counselling, referrals, support and advocacy to people with multiple, severe vocational barriers to employment.
- **Career and Employment Programme** provides individualised assistance, support and career counselling in the employment sector. Contact Centacare for further enquiries.
- **Pathways to Independent Living** consists of the Supported Accommodation Assistance Program for single men, single women & families who are homeless or are at risk of homelessness. As well as Community Housing for long term tenants offering safe, secure and affordable housing.
- **Positive Pathways** provides friendship and support particularly to people with Mental Health issues. It is about promoting independence and enhancing quality of life for HACC eligible people.
- **Responsive Connections** provides a recovery based frame work of Social Support and Independent Living skills for individuals with a moderate to severe mental illness living in the community.
- **Veteran's Home Care** provides Domestic Assistance , In - Home and Emergency Respite Care, Personal Care and Home and Garden Maintenance for eligible veterans.
- **Infiniti & Beyond** provides support and developing vocational pathways for people who have a disability.
- **Drought Counselling** – Free counselling for those in need.
- **Co Housing** – Older Men Unlimited – Providing friendly support for Older Men in our community.
- **Preventing Homelessness**- The program identify families and individuals at risk of becoming homeless and providing support to maintain their independent accommodation.
- **Family Mental Health Support Service** – This program aims at assisting families affected by mental health issues by providing early intervention & prevention service
