IT'S ABOUT PEOPLE

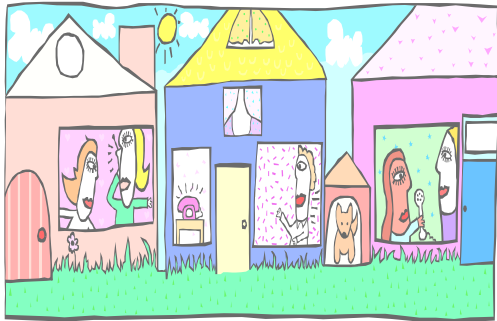

HELPING EACH OTHER

WHO IS ASSISTED

The Supported Accommodation

Assistance Program The overall aim of SAAP is to provide transitional accommodation and a range of related support services in order to assist people who are homeless or at imminent risk of homelessness, to achieve the maximum possible degree of self reliance and independence within the context of a case management plan.

Boarding House Program is designed for transitional tenants. This Program offers safe, secure and affordable housing .

MAJOR FUNDING

Department of Housing

Centacare Fraser Coast acknowledges the Queensland Department of Housing, who have provided us with Crisis Accommodation (CAP) properties in the Hervey Bay area. As well as a boarding house to be used for community housing . Managing these properties enables Centacare Pathways to Independent Living (CPIL) to provide a range of low cost accommodation options.

Department of Communities

Centacare Fraser coast acknowledges the Queensland Department of Communities, who provide us with funding to deliver the Supported Accommodation Assistance Program (SAAP) in the Hervey Bay area. SAAP is jointly funded by the Federal and State government
